VESTERGATE / ENEMY PORTALS

THREE VIOLET VORTEX DESIGNS

THORNRIFT

Woodland / asymmetric talons

VOIDMAW

Gate road / reinforced rune rim

STORMSCAR

Ridge / fractured angular rim

Animated energy layers, broken obsidian rims, rune arcs and golden sparks.

Blender model and 120-frame idle loop • Roblox enemy spawning and VFX integration remain game-side work.

VESTERGATE / ENEMY PORTALS

FACING THE INCOMING LANE

The gate-road portal faces down its trail, with grounded spawn markers and a clear central opening.

Blender model and 120-frame idle loop • Roblox enemy spawning and VFX integration remain game-side work.

VESTERGATE / ENEMY PORTALS

VESTERGATE / ENEMY ENTRANCES

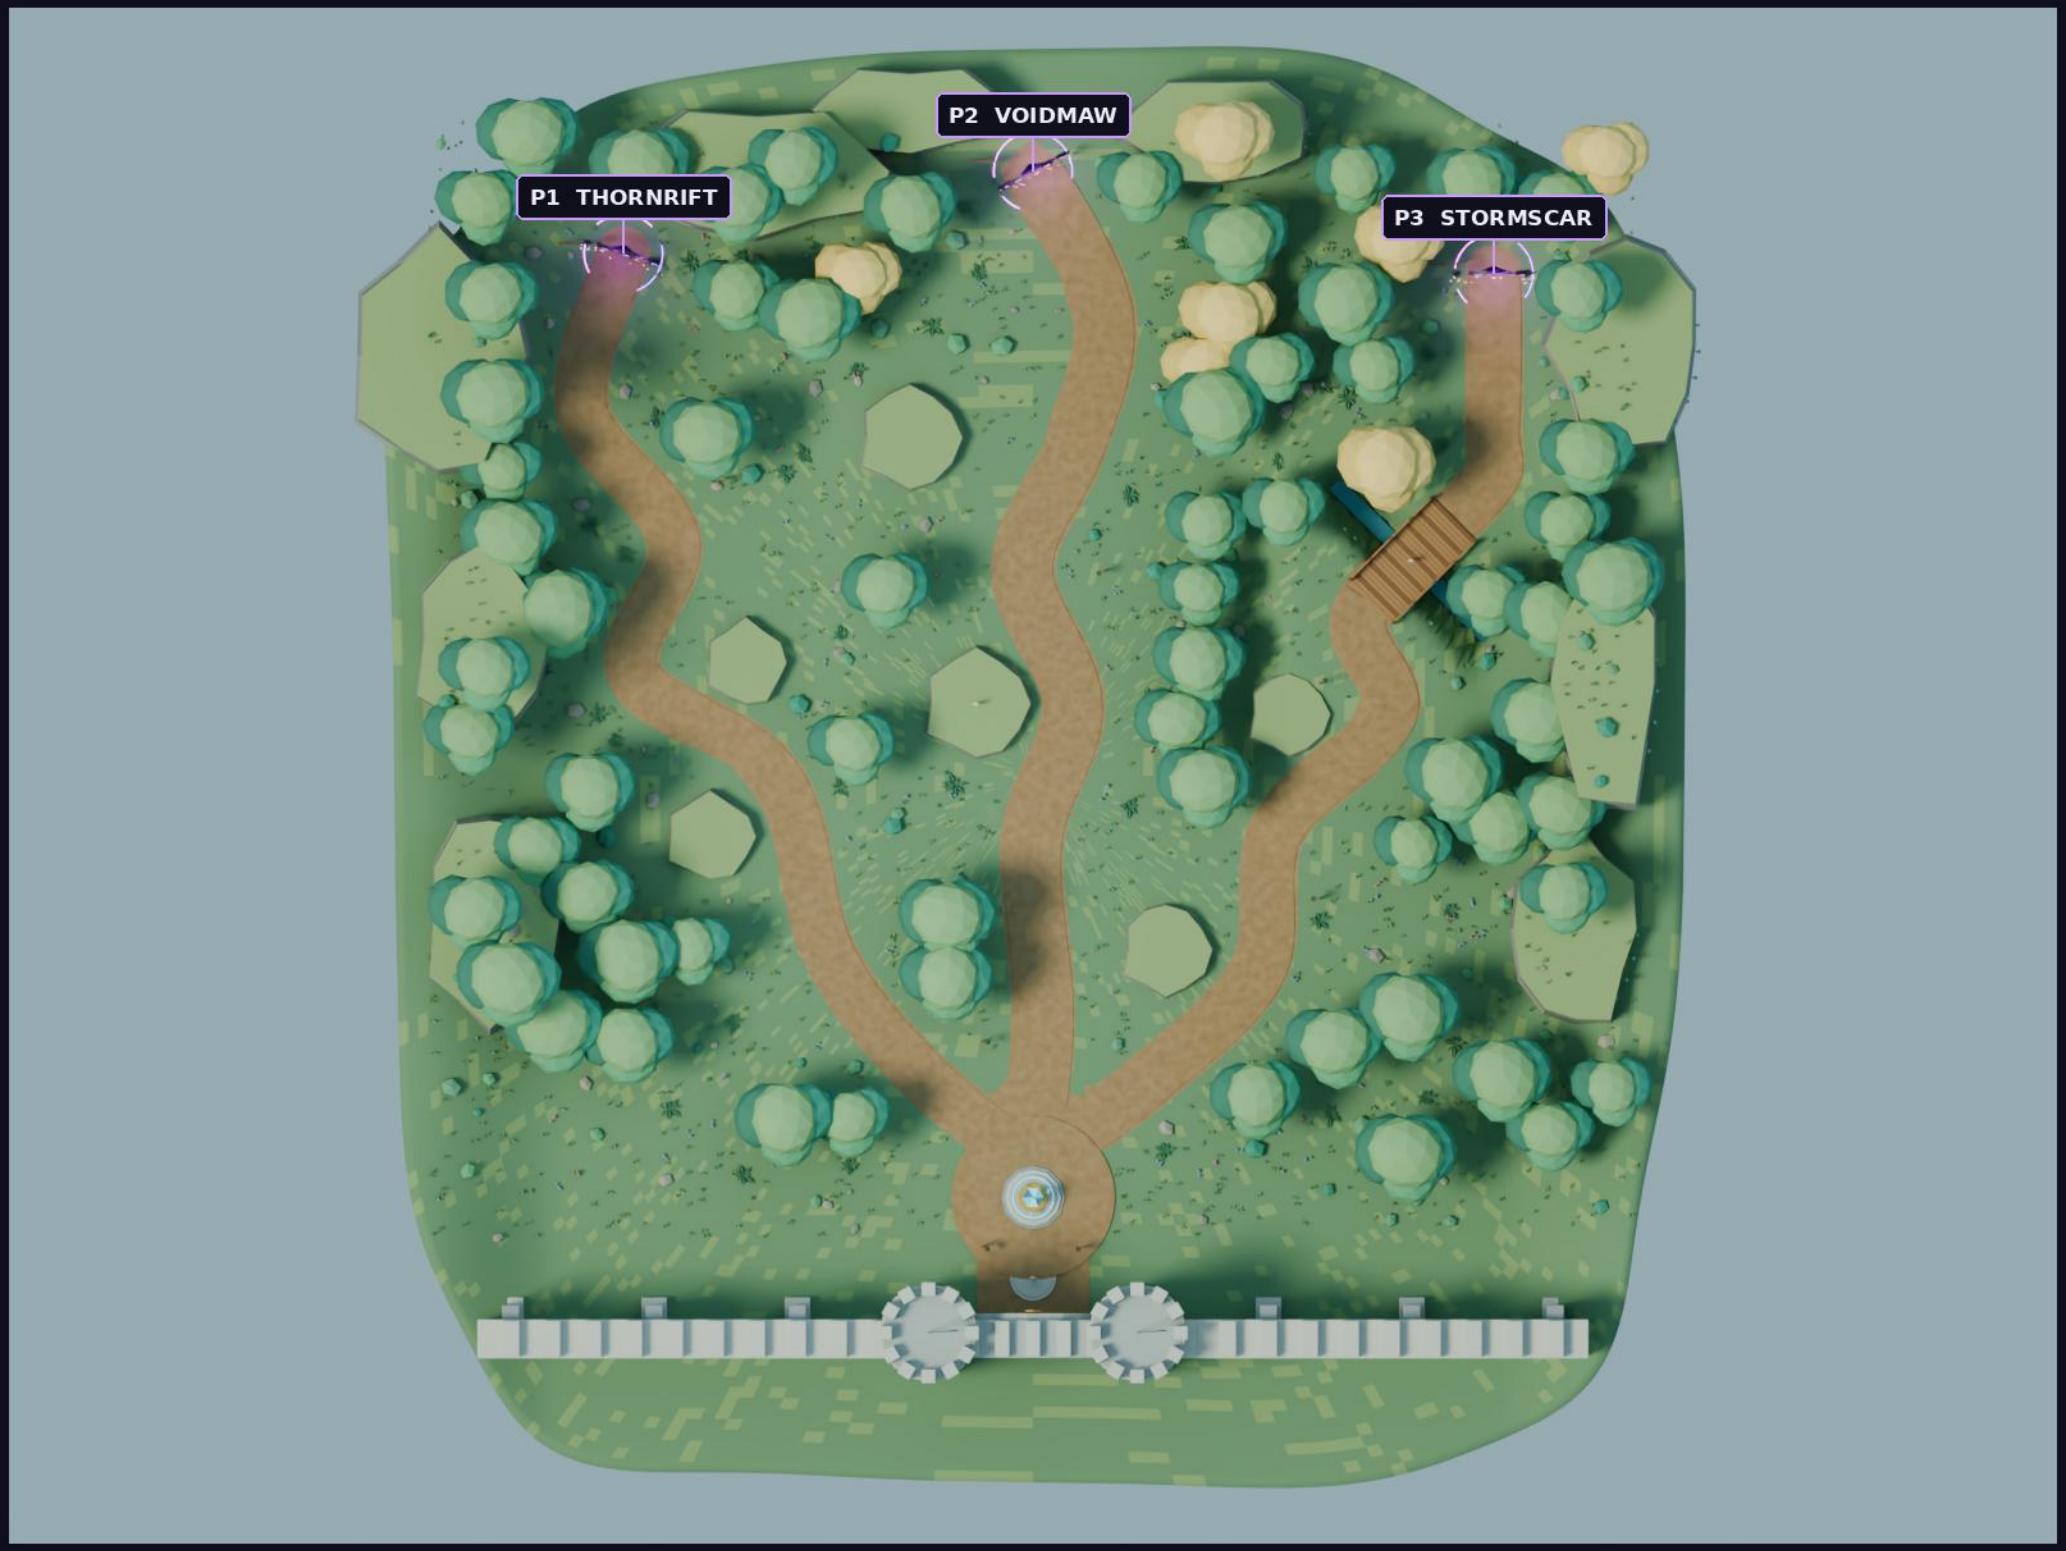

One portal is placed at the beginning of each of the three dirt approaches.

Blender model and 120-frame idle loop • Roblox enemy spawning and VFX integration remain game-side work.

VESTERGATE / ENEMY PORTALS

THREE LANE ORIGINS

P1: woodland / P2: gate road / P3: ridge. The revised six grass vantages remain in place.

Blender model and 120-frame idle loop • Roblox enemy spawning and VFX integration remain game-side work.
